Board Policy

Business/Non-Instructional Operations

Grants

The Superintendent or his/her designee is encouraged to explore private sources of funds, goods and services for special projects or programs that will enhance the educational offerings of the District when local funding is unavailable for this purpose. These special projects or programs must promote the educational goals of the District. Staff members and members of the public may seek out grants and bring to the attention of the Superintendent or his/her designee any grant that they feel should be pursued.
