

SCOTLAND ELEMENTARY SCHOOL
2023 - 2024
PRINCIPAL NEWSLETTER (Biweekly)

March 18, 2024

Greetings SES School Family,

Here at SES we are excited that spring is finally arriving this week. We are hopeful that this time of year brings much needed sunshine, daylight, and hopefully warmer temperatures. The children have enjoyed getting outside more for recess and taking some sensory walks around the outside of the school.

Springtime is a time when we see nature coming back to life after the long winter months, and it reminds us that there is always a chance for new beginnings. This sense of hope can also inspire us to believe in change and our ability to make positive changes in our lives.

There have been wonderful opportunities for our students through afterschool activities (At the Movies

below) and field experiences. These events provide a shared learning opportunity and social connection for SES students. What a pleasure it has been to see our students interacting with one another from different grades. They continue to share in laughter and learning through attending live musical performances and participating in creative time with one another.

SES is currently enrolling preschool and kindergarten students for the 2024-2025 academic year. As new and existing families join the SES family we want them to know that as a member of our growing SES Lion Pride, all our children are loved, nurtured, supported, and encouraged to be the best version of themselves.

Warmest regards for a healthy and happy spring!
Ann Knowles, Principal

SES NEW WEBSITE:

Friday, May 17th PTO 3rd Annual BINGO 6 PM

If your child visits the health office and requires treatment or an assessment from the nurse, you will receive an encrypted email detailing the clinical documentation. You will also receive an email with the password that you will use to open any further emails from the health office. Most often these emails go straight to your inbox, but some servers may send it to a junk folder. Please add noreply@hosting.snaphealthcenter.com to your contacts list to ensure that you receive any emails from me sent via the SNAP health center.

Email will be my primary method of contact, but I will continue to call parents/guardians for any serious concerns that need to be communicated in a timely manner. If you have any questions or concerns, please call the health office or email me at ssr.rock@scotlandes.org.
Be well,
Nurse Sharon

REMINDERS:

- Keep your child home when sick and please call or email (ssr.rock@scotlandes.org) as soon as you know your child will be out. This allows us to know that our students are safe at home with you. This way we don't have to call parents and inquire as to the whereabouts of their child.
- If you are planning on taking a family vacation, send an email to (aknowles@scotlandes.org) or a written note. The office will respond and will be able to document those days.
- If a child is absent, please send in a note immediately upon their return.

PTO

NEXT MEETING:

TUESDAY, April 2, 2024

at 3:15 PM Café

We have future events

planned and we need

your help!

We love our Volunteers!
Please sign up to help
with our school events!

Our prekindergarten & kindergarten enrollment for the 2024-2025 academic year is here.

We remind all families to contact the front office, Mrs. Deb Wright directly at: (dwright@scotlandes.org) to make sure that any preschool age children that will be enrolling for the fall be included in our new enrollment.
